

# CAE biggest ventures in 2017 are:

## ADVOCACY

for a better cultural policy in and beyond the sector

## KNOWLEDGE

On arts & rights, joint research practices, sustainability, culture & well-being, impact of culture. Connecting the dots through podcasts & webinars

## VOICES OF CULTURE & HERITAGE

CAE participation in the structured dialogue between the European Commission and the civil society

## CITIES, CULTURE & EUROPE

Mainstreaming culture in the urban agenda

## EUROPEAN EVENTS

CAE participation and contribution to European debates, gatherings, presentations, workshops

## EMPOWERING THE NETWORK

Allowing members to connect on a diverse range of issues

## EUROPE OF CULTURE

Joint reflection exercise with members to co-create a cultural scenario for the Future of Europe

## CULTURE CROISSANT BREAKFAST EVENTS

Providing a cross-sectoral platform to discuss, debate, exchange and connect (with BOZAR & members)

## MEMBERS' FORUM

How to implement strategic choices & work together (for CAE members)

## BEYOND THE OBVIOUS

An interactive conference where cultural and political players meet to exchange on key political and social issues

## MOBILE APP

Culture Action Europe community application. Concept phase

## PILOT CITIES 2017-2018

An empowering journey in collaboration with Agenda 21 for Culture and European cities to enable culture to act as a catalyst for sustainable cities, enriched by a series of workshops with civil society in different cities

## LPM - THE ACTION

A co-operation to improve and promote the culture of live video events worldwide with a special CAE focus on audience development

## Mu.SA PROJECT

A co-operation enabling museum professionals to acquire digital and transferrable skills
