Objectives

Objectives

- Connect and promote **diverse forms of knowledge** (situated, embodied, academic, etc.) in educational as well as professional environments

Objectives

- Connect and promote **diverse forms of knowledge** (situated, embodied, academic, etc.) in educational as well as professional environments
- Professionalize students with **new forms of cultural consciousness**, nurtured by theoretical tools and endorsed by practical skills

Objectives

- Connect and promote **diverse forms of knowledge** (situated, embodied, academic, etc.) in educational as well as professional environments
- Professionalize students with **new forms of cultural consciousness**, nurtured by theoretical tools and endorsed by practical skills
- Support international cooperation that **questions project logics** and is attentive to practices oppressing knowledge and experiences which don't fit the dominant scope

SHAKIN' international student projects

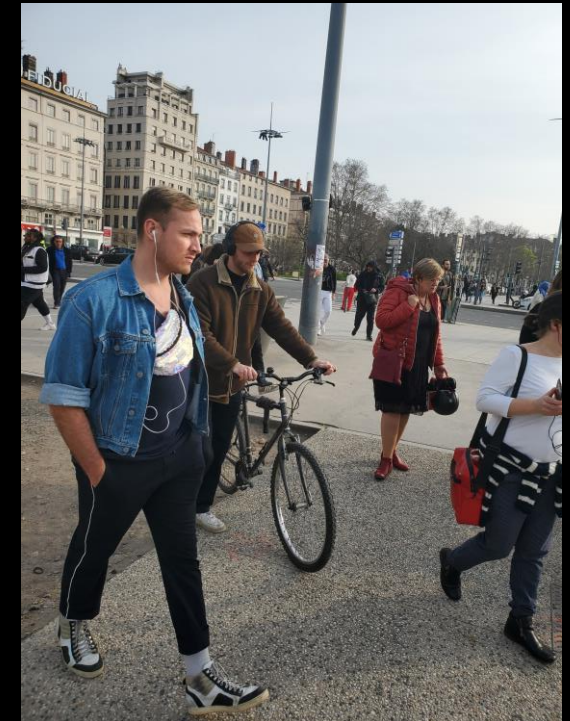

Cohort 2021-2022

« Breaking Bread »

« Seven Senses »

« Feminism and Public space »
