

## Inter-culture

Questionnaire to be sent back to [projects@cultureactioneurope.org](mailto:projects@cultureactioneurope.org) by **Tuesday, 16 February 2016**

- 1) If asked for a personal statement/story on your experience of the value of interculturality in society, what would you answer?

- 2) Can you give key examples of your activities in the field of intercultural dialogue:

a) with communities before the “migrant crisis”?	b) with and for refugees and migrants as an immediate answer to the ongoing “crisis”?
c) Are there any examples of interactions between both types of activities and actions (a) and b))?
