

WHAT CAN WE **CREATE** TOGETHER?

WHAT CAN WE **CHANGE** TOGETHER?

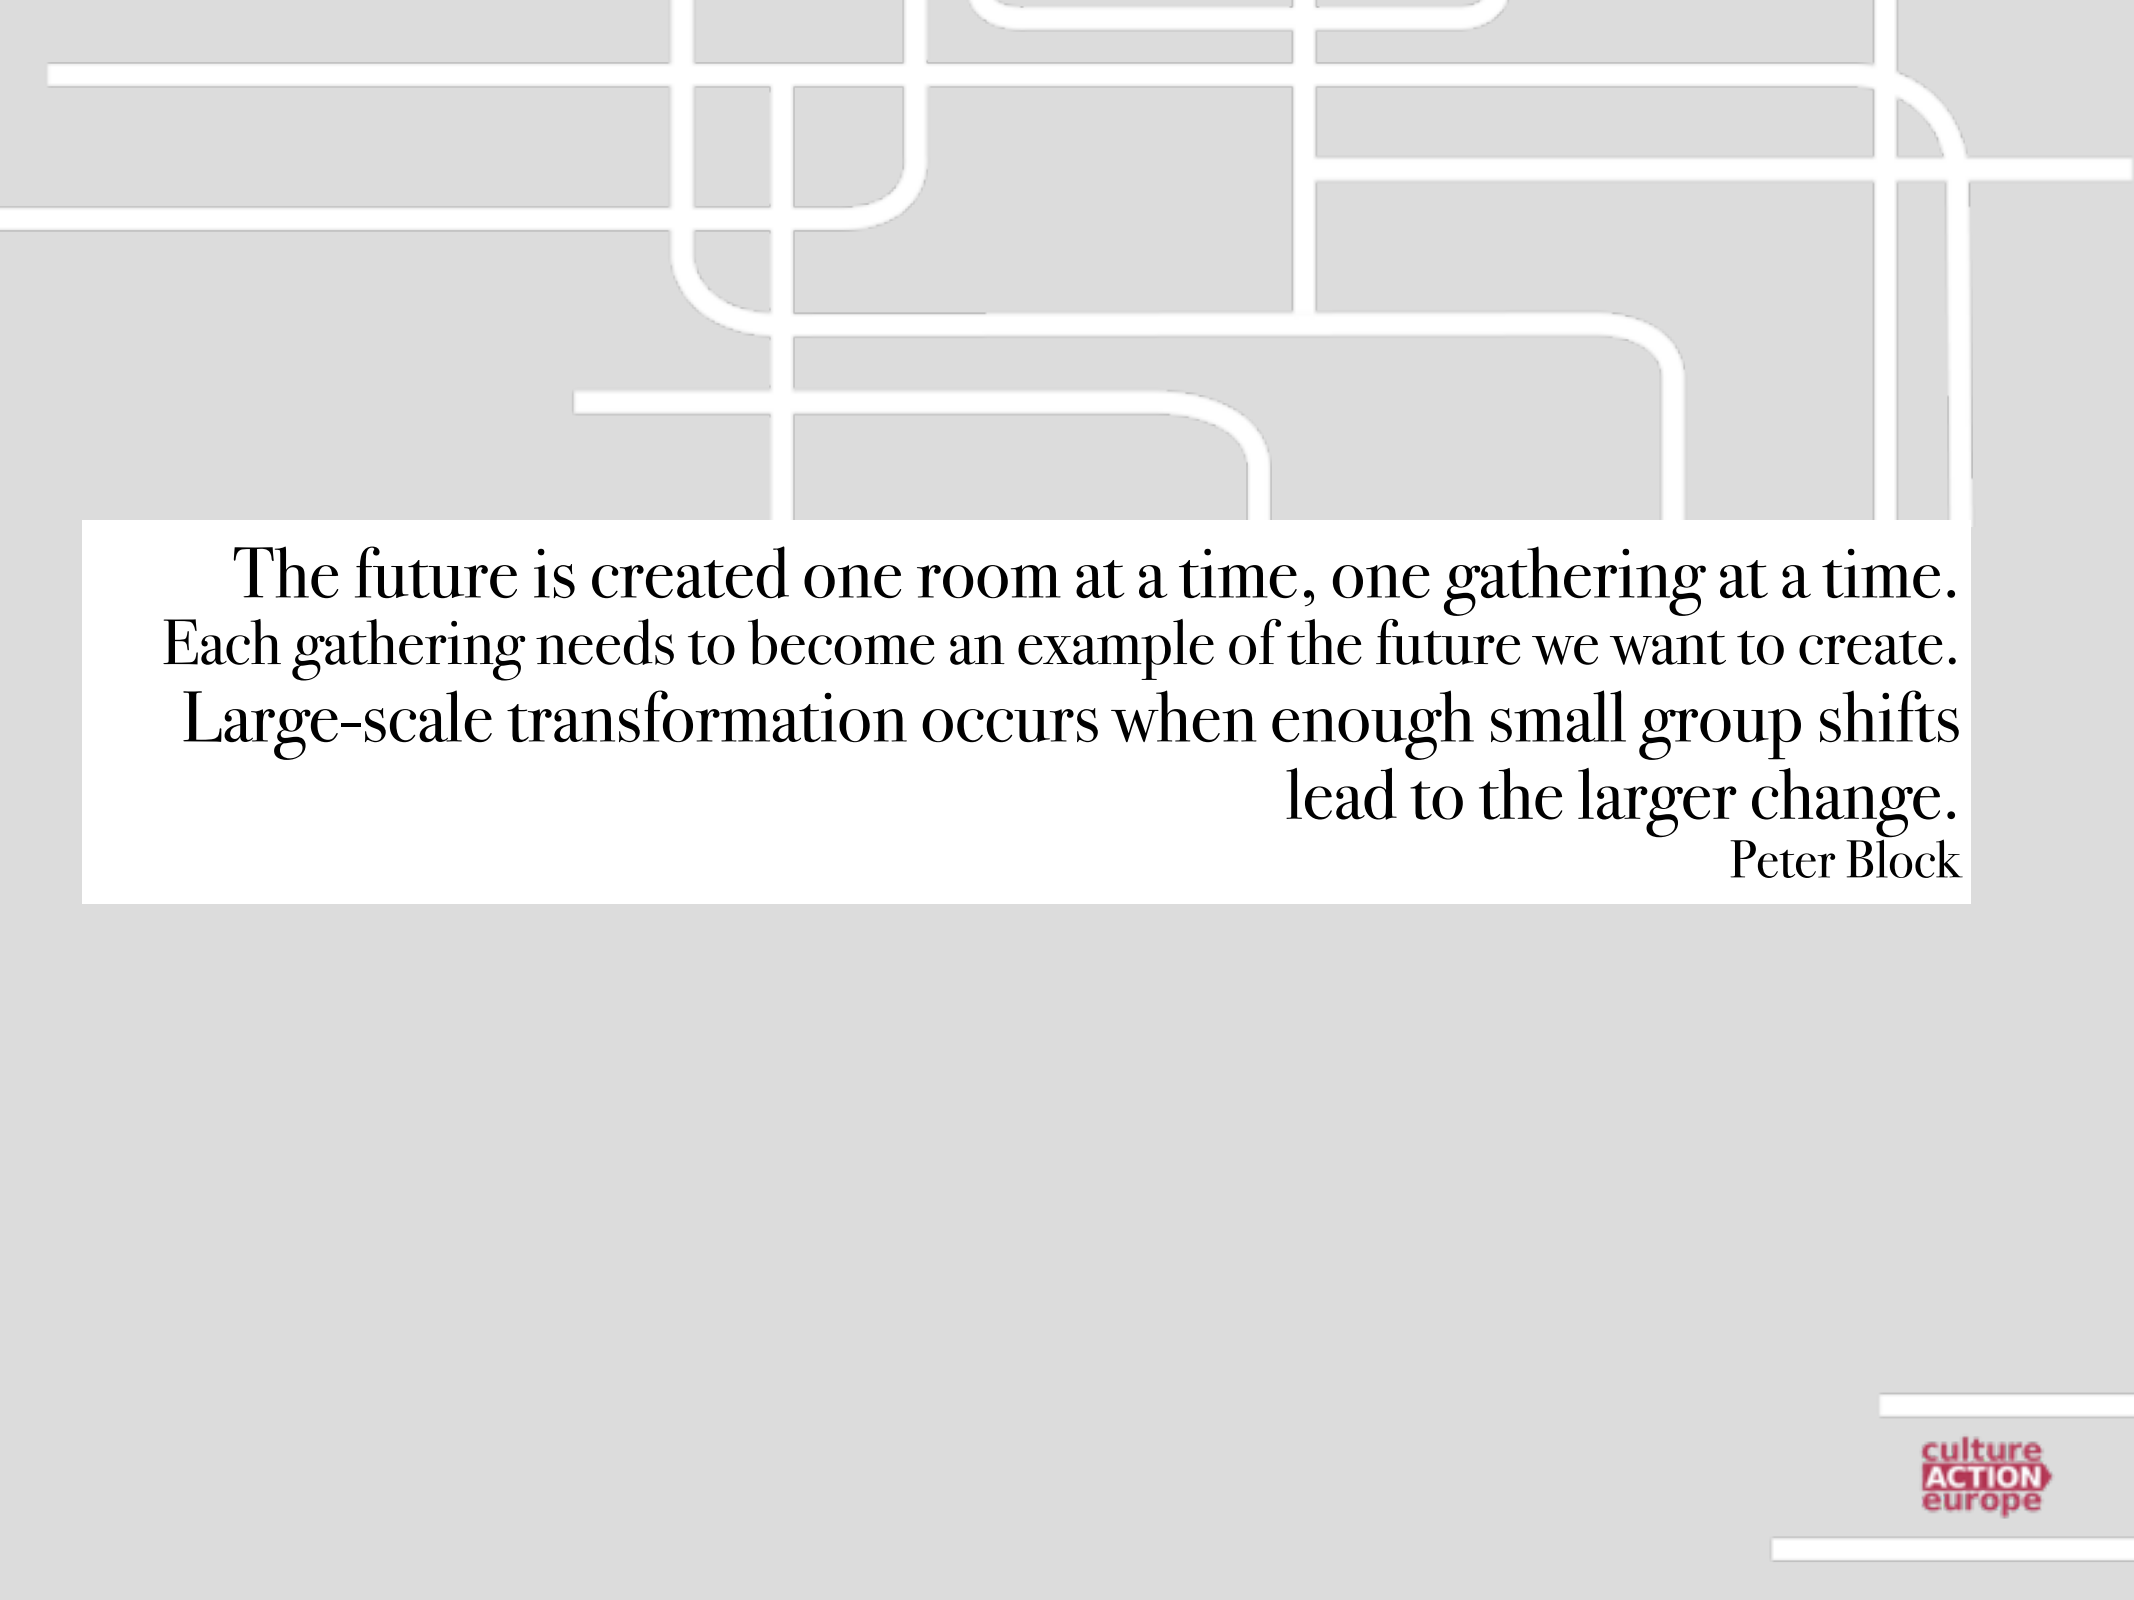

WHAT CAN WE **SHAPE** TOGETHER?

WHAT CAN WE **ACCOMPLISH** TOGETHER?

Never doubt that
a small group of thoughtful,
committed citizens
can change the world.
Indeed, it is the only thing that ever has.

Margareth Mead

The future is created one room at a time, one gathering at a time.
Each gathering needs to become an example of the future we want to create.
Large-scale transformation occurs when enough small group shifts
lead to the larger change.
Peter Block

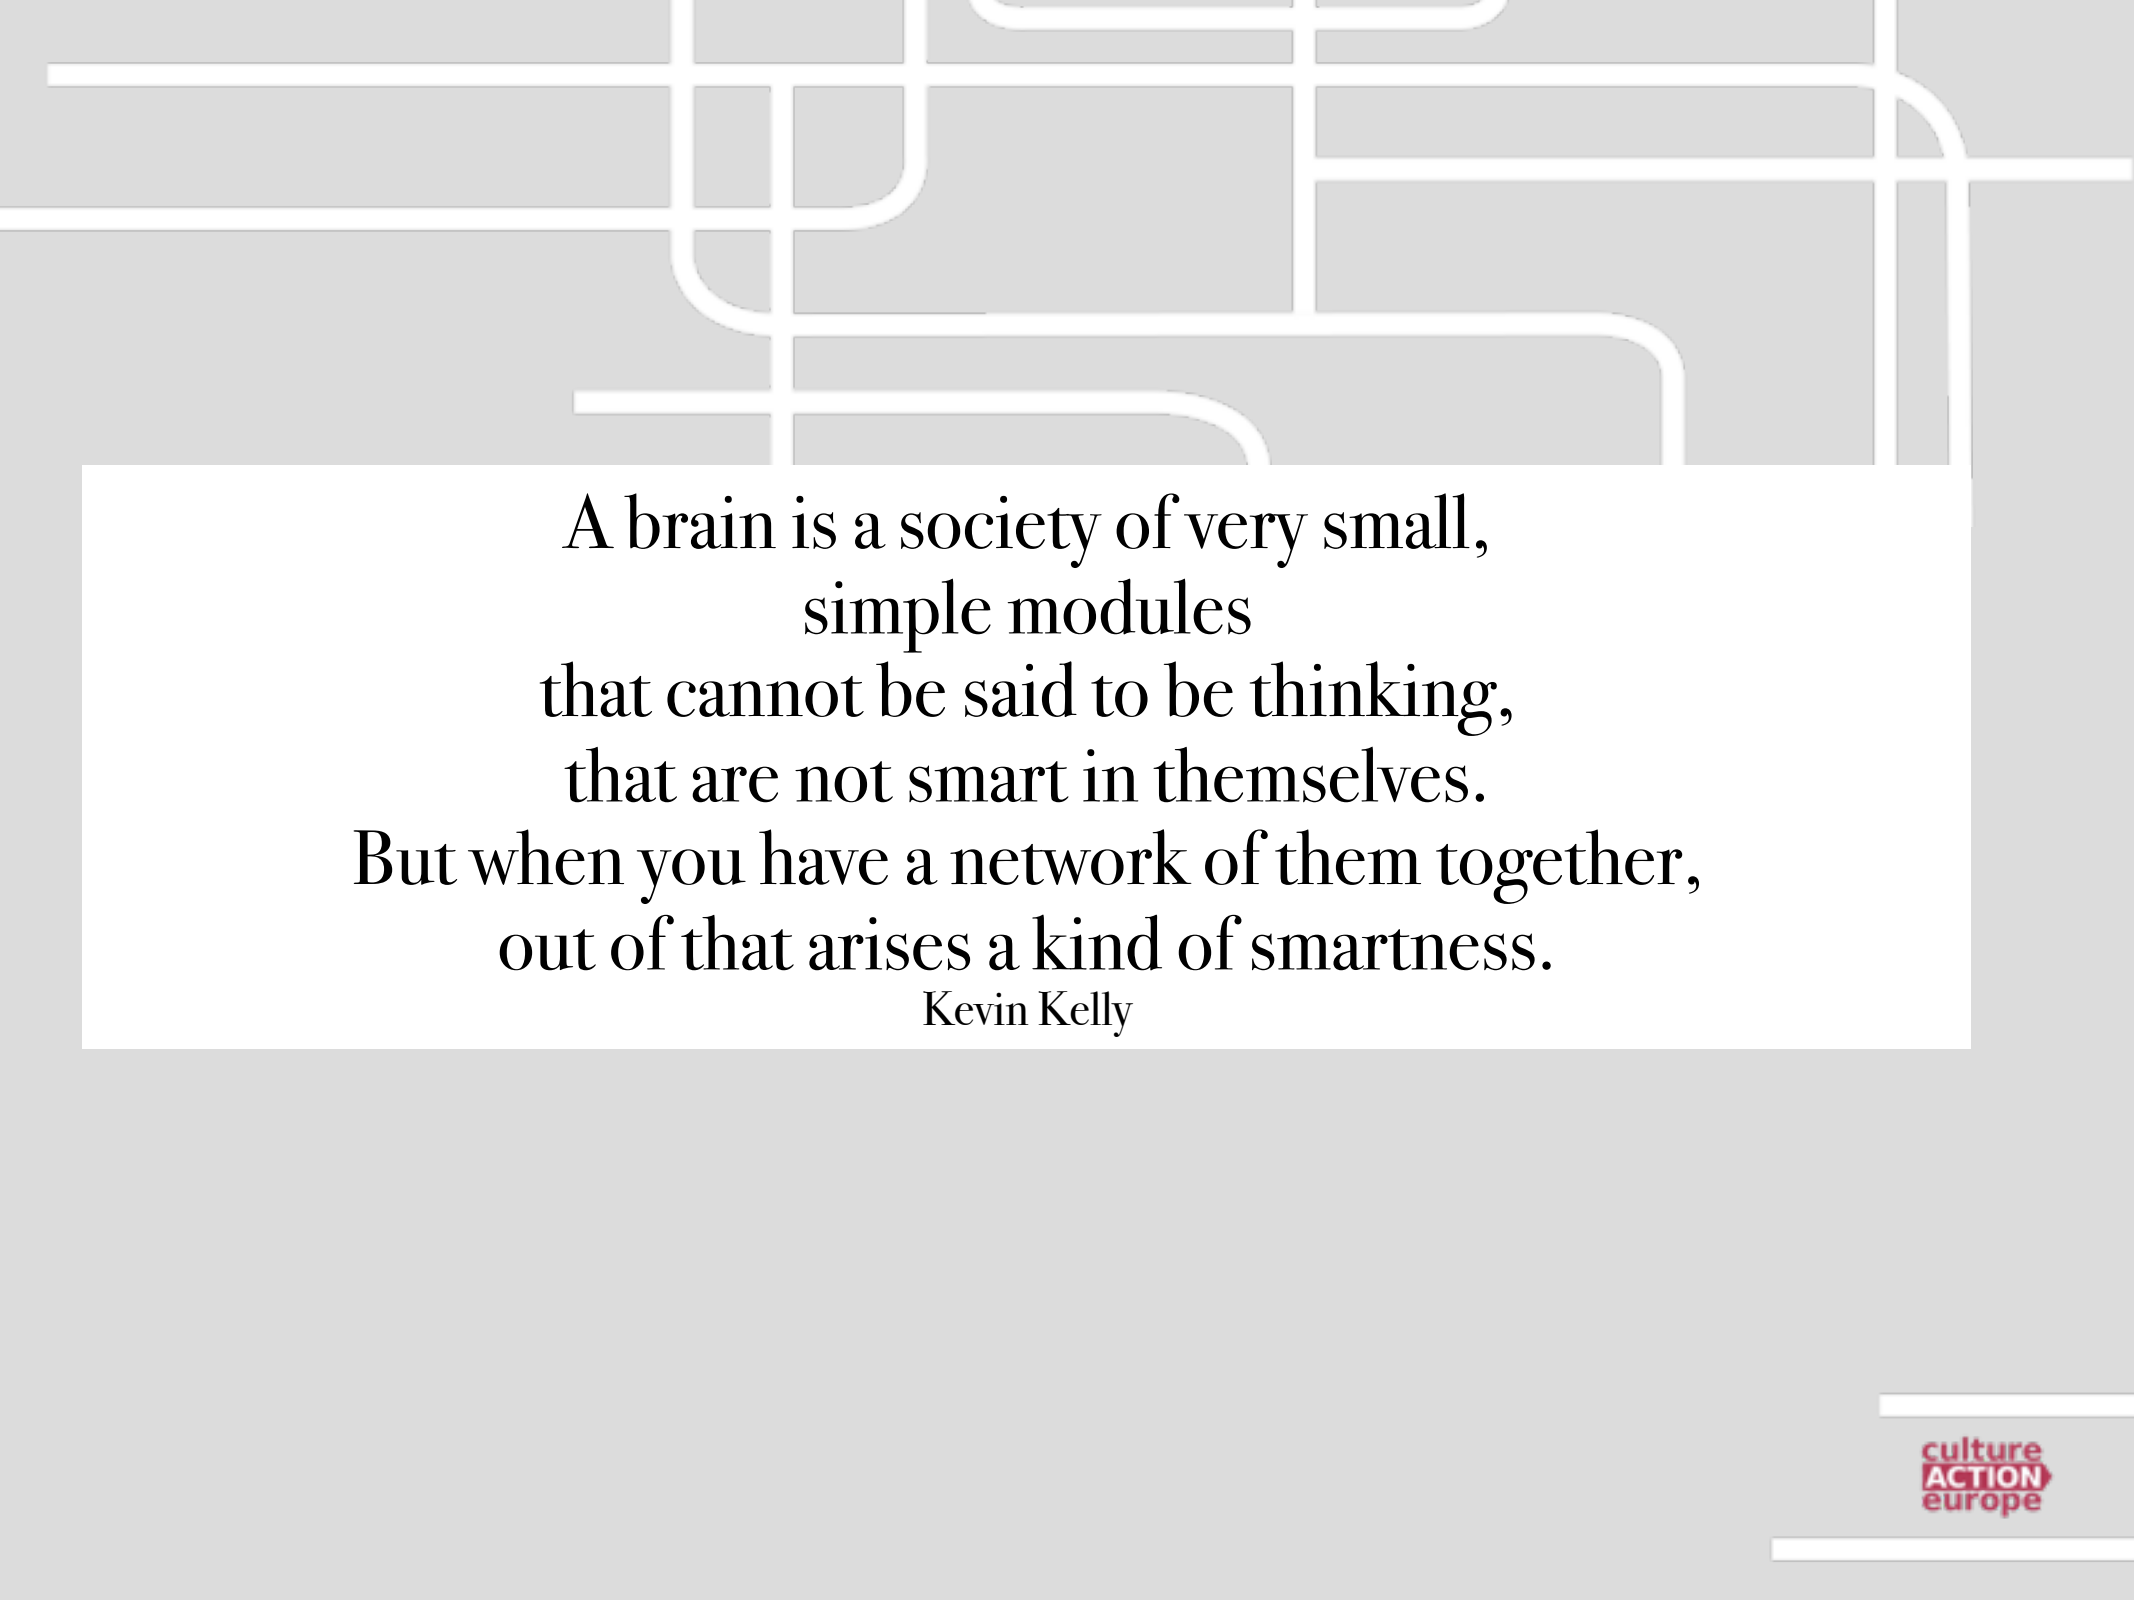

ONE MUST CARE ABOUT A WORLD
ONE WILL NOT SEE.

Bertrand Russell

A culture may be conceived as a network of beliefs and purposes in which any string in the net pulls and is pulled by the others, thus perpetually changing the configuration of the whole.

Jacques Martin Barzun

A brain is a society of very small,
simple modules
that cannot be said to be thinking,
that are not smart in themselves.
But when you have a network of them together,
out of that arises a kind of smartness.

Kevin Kelly

Without culture, and the relative freedom it implies,
society - even when perfect - is but a jungle.
This is why any authentic creation is a gift to the future.
